

## *Terms & Conditions*

**All Sales are final. Sales Tax will be charged to residents of Pennsylvania.**

**All items carry a 10 day warranty unless otherwise noted. If item is described as “As-Is”, we do not have the available resources to test that item and any observations are for informational purposes only and therefore the item carries no warranty and can not be returned. Consumable items, such as batteries, cartridges, etc, also carry no warranty.**

**It is the sole responsibility of the receiving party to fully inspect the product at the time of delivery for any potential damage. We recommend taking off any protective wrapping or opening any crushed boxes to fully inspect the product at time of delivery. Any and All damage must be noted with driver at time of delivery for any insurance claim, and for a replacement/refund to be issued to the customer.**

**Returns of product, other than for exchange or replacement, are subject to a 15% return/restocking fee. Shipping fees and/or return shipping costs are non-refundable; these are paid to the shipping company, not us. Should a replacement not be available, a credit will be issued or the product will be substituted with one of the same or better specifications. Customers must pack items being returned complete, with all manuals, cables, accessories, etc. Regardless of condition, products must be packaged appropriately so as not to incur physical damage during return shipping. Failure to do so may invalidate the warranty. Unauthorized and/or unmarked returns will not be honored.**
